

# Fabric Covered Gift Boxes

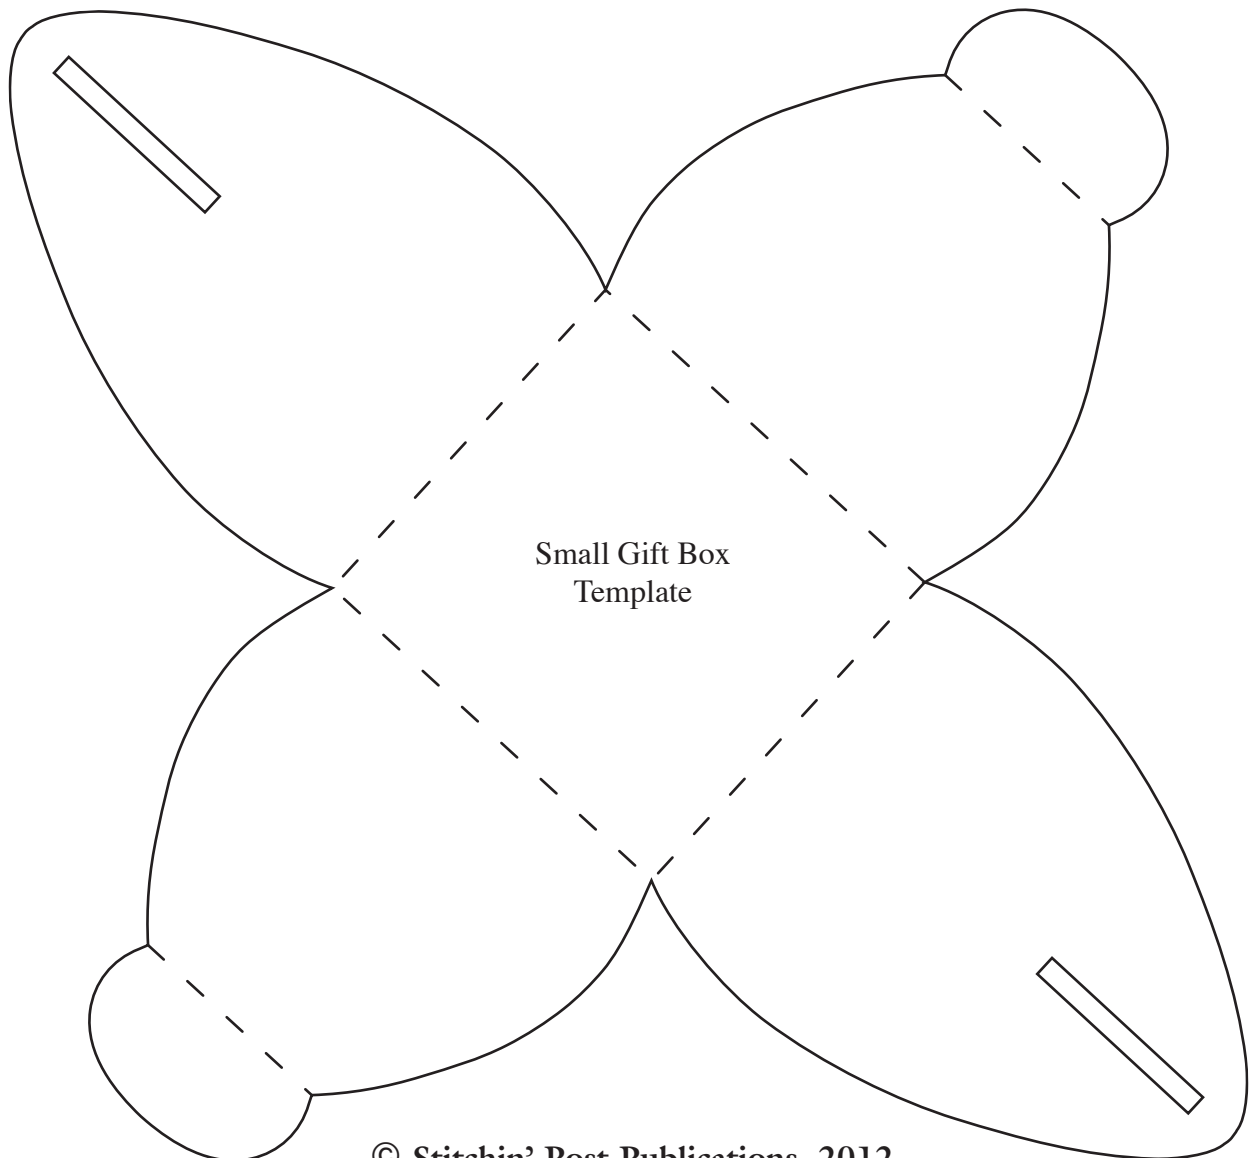

Using card stock paper, fabric is fused to one side, creating a decorative gift box for someone special--not just for the holidays, but all year around. (Hint: this pattern can be enlarged on a copy machine for larger boxes.)

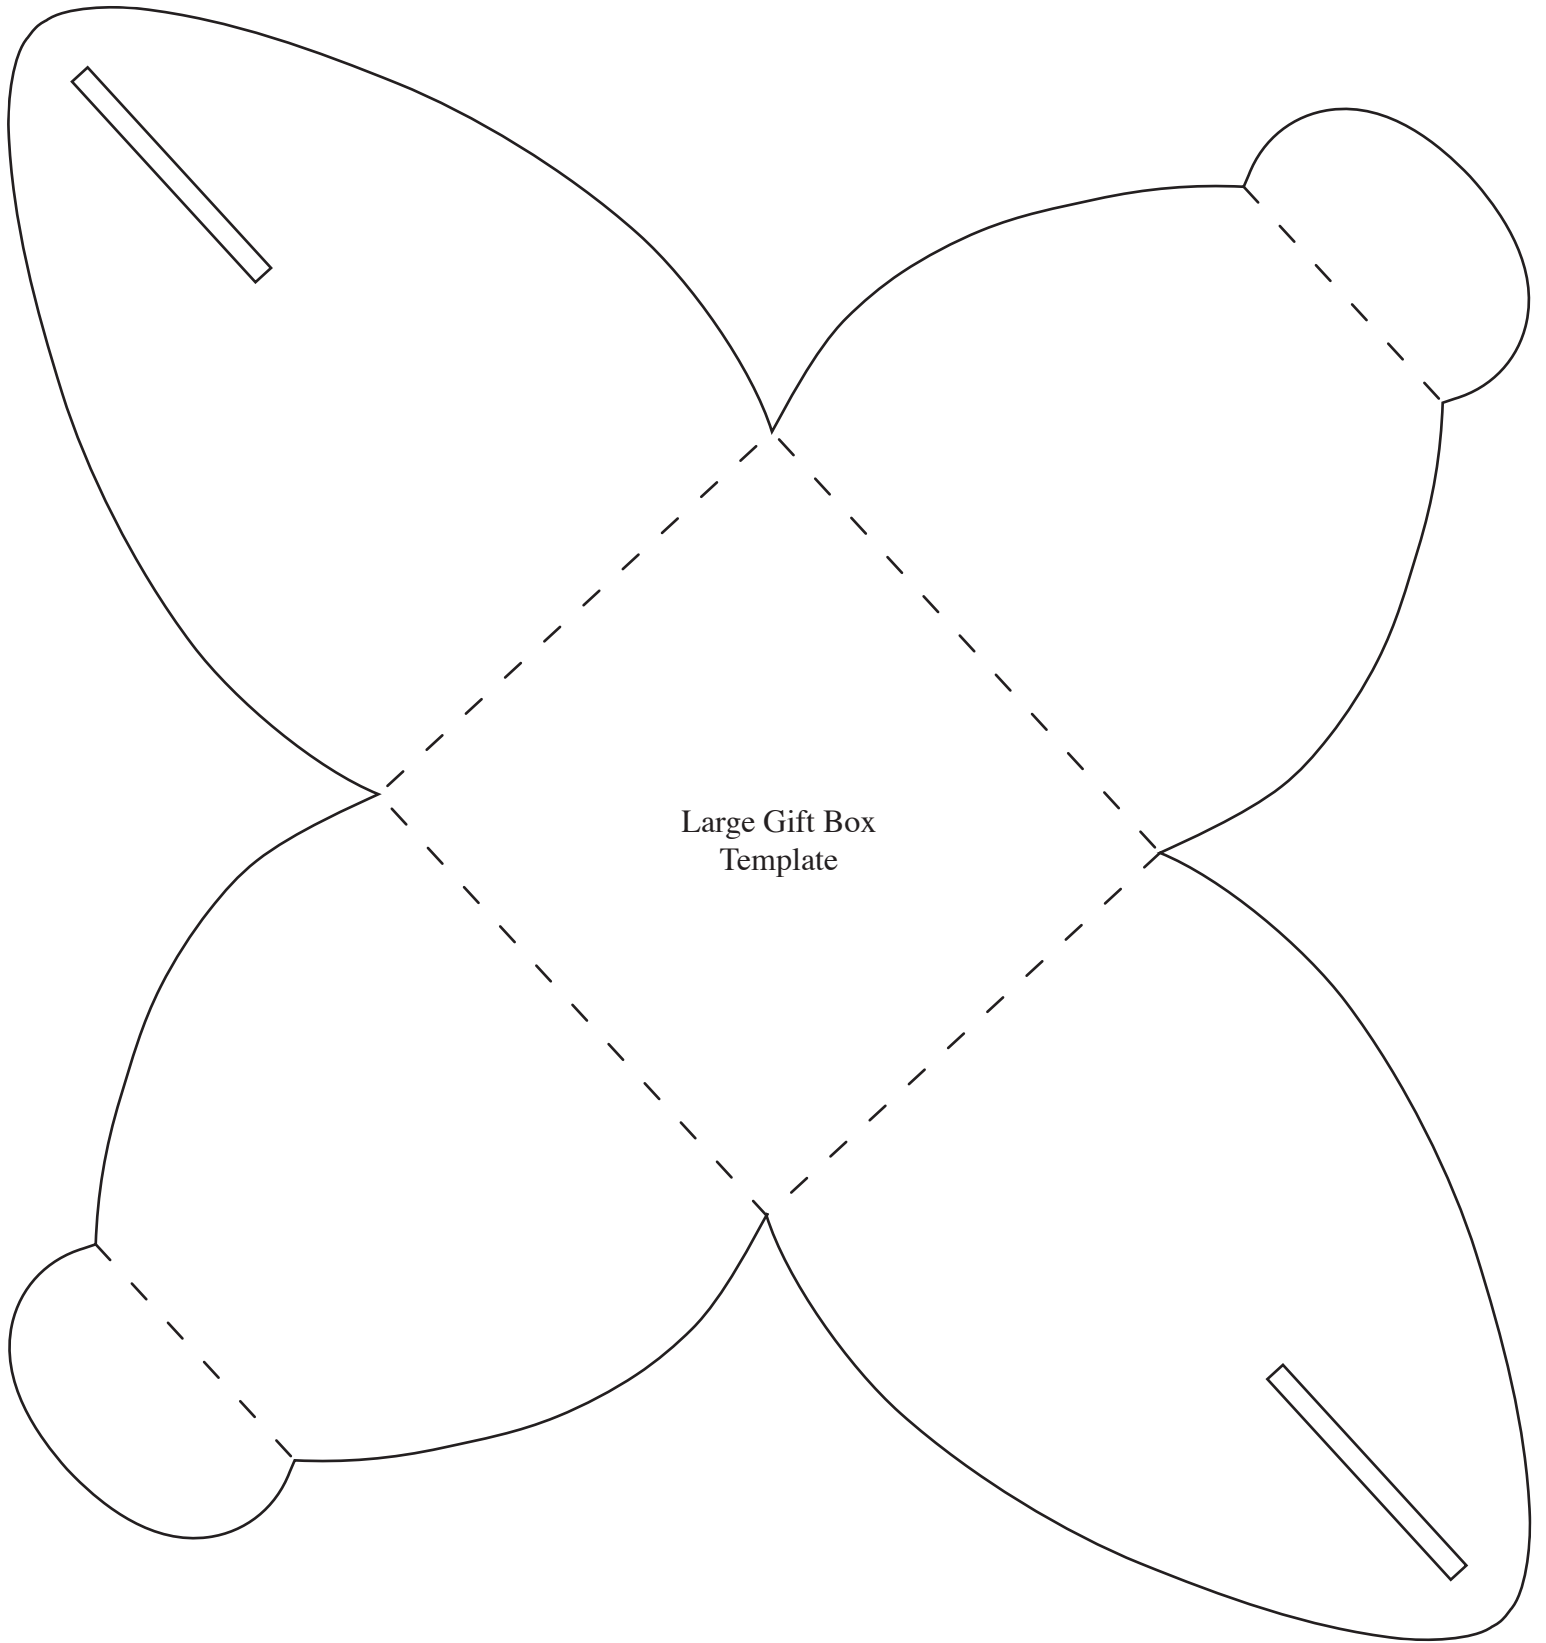

## *Materials:*

Fabric Scraps - 7" square for small box, 9" square for large box  
1/4 yard Fusible Web  
Card Stock or heavy paper

## *Directions:*

1. Copy pattern onto cardstock.
2. Apply fusible webbing to wrong side of fabric.
3. Remove backing and fuse fabric to backside of cardstock.
4. Cut cardstock along solid pattern lines.
5. Score and fold along dotted lines of pattern.
6. Fold box together sliding both tabbed sides into slits of remaining two sides.
7. Enjoy!
